Re: Comcast Cablevision of Danbury

Dear Mr. Caton:

This system offers subscribers an optional New Product Tier ("NPT"). This tier is comprised of services initially offered on an a la carte basis and is a "grandfathered" NPT pursuant to Section 76.986(c) of the Commission's rules. See, In the Matter of Comcast Cablevision of Tallahassee, LOI-93-2 (November 18, 1994).

The purpose of this letter is to notify the Commission that effective March 1, 1995, American Movie Classics was added to the system's New Product Tier and the price was raised to \$1.35. The services on the NPT are no longer offered on an a la carte basis.

An updated rate card and a copy of the notification of these changes which was sent to subscribers is attached.

If you have any questions, feel free to contact me at (215) 981-7638.

Thank you very much.

Re: Comcast Cablevision of Orange County, Inc. (Newport Beach)

Dear Mr. Caton:

In accordance with paragraph 28 of the Commission's Sixth Order on Reconsideration in MM Docket No. 92-266 (the "Going Forward Order"), I am attaching a copy of this system's notification to subscribers regarding changes to our Value Pak. We originally began offering the Value Pak channels on an a la carte basis on September 1, 1993. Based on the Going Forward Order and the Commission's responses in Letters of Inquiry issued of February 1, 1995, our Value Pak channels will no longer be offered individually and instead will be offered as a new product tier.

In addition, the attached information provides the prices for our basis service tier, our cable programming services tier, and a channel lineup which lists the services which are available on each level of service.

If you have any questions, feel free to contact me at (215) 981-7638.

Thank you very much.

Very truly yours,

Re: Comcast Cablevision of Orange County, Inc. (Newport Beach)

Dear Mr. Caton:

This system offers subscribers an optional New Product Tier ("NPT"). This tier is comprised of services initially offered on an a la carte basis and is a "grandfathered" NPT pursuant to Section 76.986(c) of the Commission's rules. See, In the Matter of Comcast Cablevision of Tallahassee, LOI-93-2 (November 18, 1994).

The purpose of this letter is to notify the Commission that effective February 1, 1995, American Movie Classics was added to the system's New Product Tier and the price was raised to \$1.33. The services on the NPT are no longer offered on an a la carte basis.

An updated rate card and a copy of the notification of these changes which was sent to subscribers is attached.

If you have any questions, feel free to contact me at (215) 981-7638.

Thank you very much.
